Story Discoveries @ the Rec:

Literacy based interactive programs for children ages 2-5 and an accompanying adult.

Join us for songs, stories and hands-on activities at 10:00 on Tuesdays April 5th, 12th and 19th, or on Saturdays April 30th through May 21st. Starting with songs and finger plays to help participants feel comfortable and included, Miss Tracie will read two picture books which introduce the children to a topic that is relevant to their experience in the world. Following the stories will be a fun project using a variety of art media, giving the child something to take home which will hopefully inspire further investigation and discussion of the topic. These projects can be messy, so although aprons will be available, washable play clothes are recommended. There will also be age appropriate puzzles for the preschoolers to explore as they complete their project.

“Miss Tracie” Wilkins has over 25 years of experience as an early childhood educator, having worked in preschool, kindergarten, children's museum and public library settings.
